

FPI's Affiliate Membership Program

- ✓ **Do you work for a foodservice operator, distributor or group purchasing organization?**
- ✓ **And have responsibilities for foodservice packaging?**
- ✓ **If so, join FPI – for FREE!**

The Foodservice Packaging Institute, the trade association for converters of foodservice packaging products and their raw material and machinery suppliers, offers a free membership to representatives from any foodservice operator, distributor or group purchasing organization in North America.

The benefits of FPI's Affiliate Membership include:

- **Receive valuable newsletters:**
 - *Executive Briefs* – a weekly newsletter that reports the latest news, facts and trends related to the foodservice packaging supply chain in North America.
 - *Packaging Innovations & Insights* – a monthly newsletter that highlights new foodservice packaging products.
 - *Legislative and Regulatory Report* – a monthly recap of legislative and regulatory initiatives in the U.S. and Canada that may be impacting the foodservice industry.
- **Participation in annual “State of the Industry” and “Trends” surveys:** Share insights and learn from others in the supply chain.
- **Attendance at FPI conferences:** Our semi-annual conferences rank as the top benefit by all members, and you will receive a 50% discount off registration fees to encourage participation.
- **Assistance with sourcing new products:** Simply submit your RFP to FPI, and we'll distribute it to our membership, which includes roughly 90 percent of the industry in North America.

Interested? Just send an email with your request and contact information to FPI's Jennifer Goldman (jgoldman@fpi.org). Upon approval, you'll start receiving the benefits of membership immediately.
