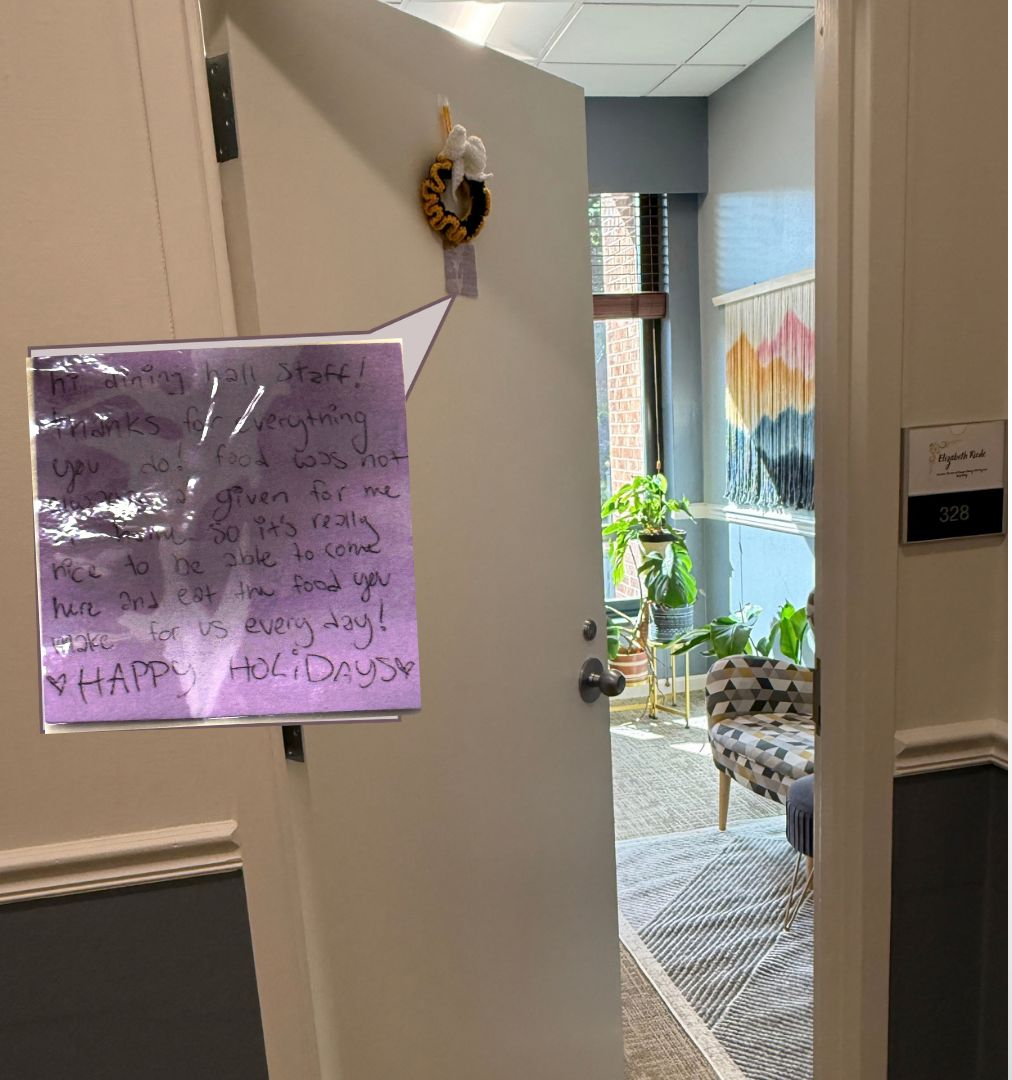
Beyond the Box

The Future of Campus Dining, Packaging, and the People We Serve

Elizabeth Riede

Executive Director of Campus Dining, Catering & Hospitality
Appalachian State University



It's never just a meal

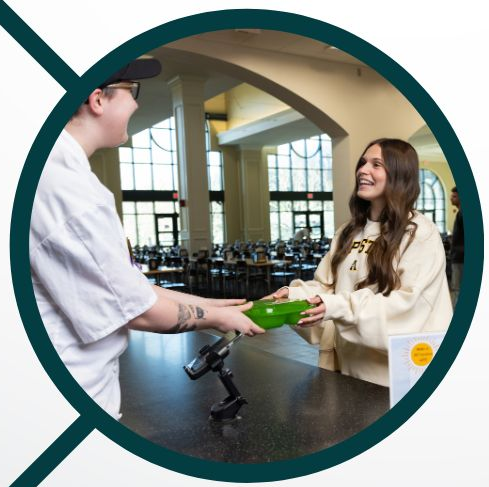
What does Campus Dining actually look like?

One campus. Many different businesses.

NACUFS: A window to the industry

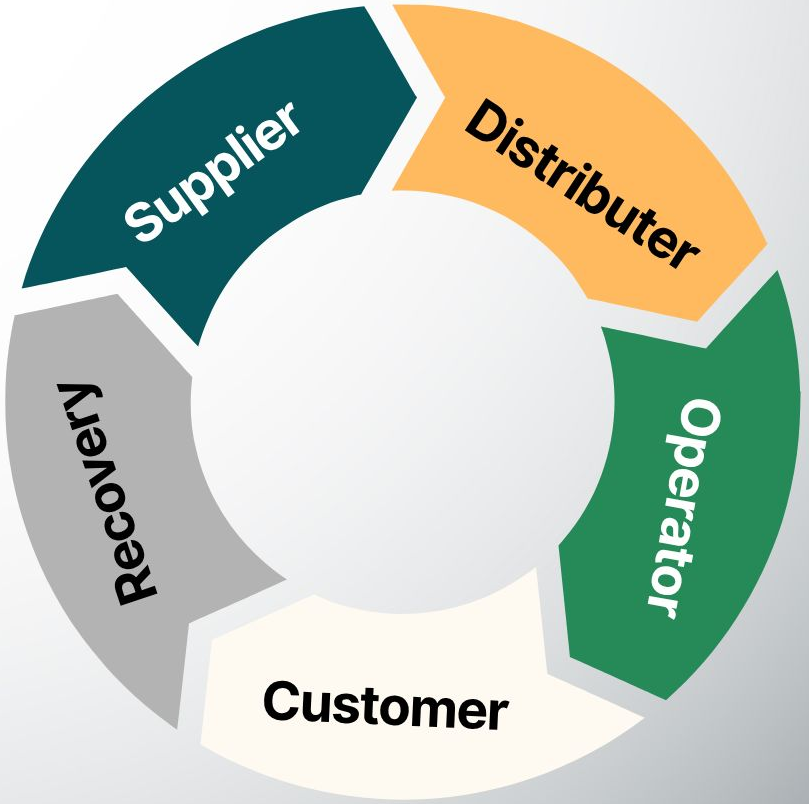
The student has changed

The meal is moving.



One student. Many dining experiences.

Buying an ecosystem, not a box



Five questions behind every packaging decision

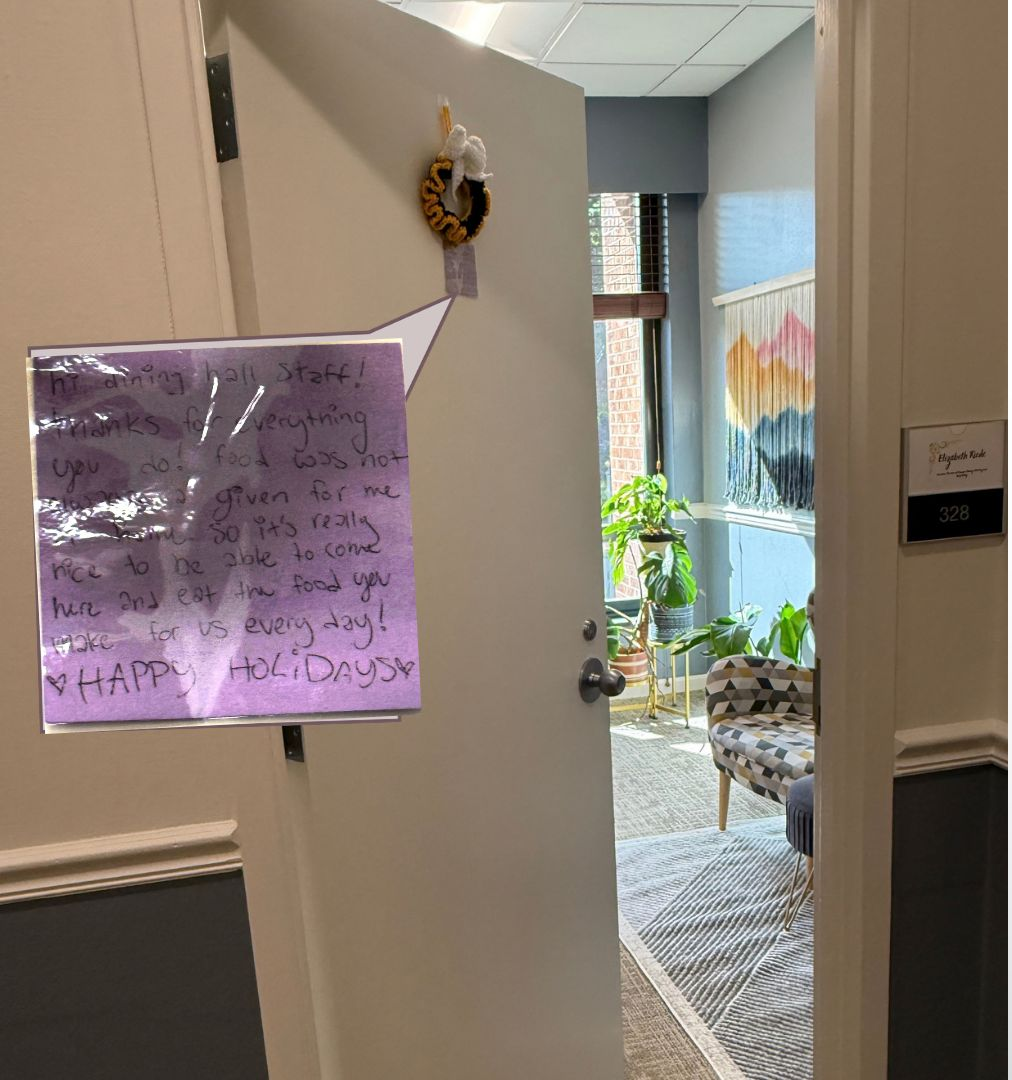
When a good product meets a complicated operation ...

The life of a container

Reuse, composting, recycling: operational reality

What happens when good intentions meet infrastructure

Designing together



Systems strong enough to perform. Human enough to matter.

Let's talk

What's one thing you wish operators understood better about your industry?
